2008!!

The American Association of Healthcare Administrative Management, AAHAM, is the premier professional organization in healthcare administrative management. Founded in 1968, AAHAM has evolved into a national membership association that represents a broad-based constituency of healthcare professionals. For more information, see our website: www.aaham.org

The XXXXXXX Chapter would like to sincerely thank our Corporate Partners for their continued support and dedication to the Chapter. Your partnership enables us to provide quality educational and networking opportunities throughout the year. Without your financial support this would not be possible.

We are very excited about our upcoming conferences. Agendas at these conferences typically attract a large turnout of providers. Corporate Partnership includes two registrations and exhibit space.

As a 2008 Corporate Partner, our Chapter will be committed to advertising your company's services throughout the 2008 year. Your support will be acknowledged at all meetings, on the chapter website and in the chapter's electronic quarterly newsletter. In addition a link to your company as a corporate partner will be advertisement on our website. Your success is our success and we proudly display your company name and logo whenever possible.

Attached is an outline of partner benefits. Please return the Registration Form along with your check and advertisement details by March 25, 2008 so we can update our Partner information.

Again thank you for your continued support of Carolina AAHAM. We look forward to growing with you!

Sincerely,
